

IMPORTANT THINGS TO REMEMBER:

HERE'S HOW TO HELP YOUR FAMILY WITH AN ESCAPE PLAN.

1. Try to find at least two ways out from every room in your home.
2. Every way needs to be planned & practiced with grownups.
3. Remember to stay low and go.
4. Before opening a door in a fire, feel it first. If it's hot, there may be fire on the other side. Do not open the door. Try to get out another way.
5. Pick an easy-to-remember, safe place outside to meet your family after you get out.
6. Call 9-1-1 or the emergency number from a neighbor's place.
7. Stay outside no matter what. Don't go back for anything!
